

NEWS FROM AFLC INDIA

HOREB CHILDREN'S MINISTRY

A new version of a ministry opportunity has been offered to the AFLC-I congregations: the continuing provision for children in need - now called the Horeb Children's Ministry (HCM). Since 2020, the government has implemented a policy prohibiting caring for more than five children in boarding schools. To comply with this government restriction, the Horeb Children's Ministry has reached out to AFLC-I families and widows to host the children and receive the compensation we provide from our HCM sponsorship program through our World Mission supporters.

Your \$40 monthly gift still blesses the orphans and needy children with clothing, school supplies, and room and board in home-style care by people in AFLC-India congregations. Additionally, some of the congregations host the Horeb children for weekly—and even nightly Bible Clubs—and many of the neighborhood children have been eagerly attending.

CHILD SPONSORSHIP

"Religion that God
our Father accepts as
pure and faultless is this:
to look after
orphans and widows
in their distress..."
-James 1:27

SEMINARY IN INDIA

Even though persecution is less in this region in India, government pressure is increasing. In preparation for further government restrictions, the congregations are encouraging their pastors to pursue official theological training at the AFLC-India Theological Seminary. The school is a tremendous new opportunity for ministry: The seminary meets monthly for classes designed to strengthen the pastors- leading to a theological degree.

In conjunction with the Theological seminary, another new opportunity began in July: The AFLC-India Bible College! Fifteen students gather every other weekend for Bible classes, theological study, and evangelism

training. AFLC India's President Luther expects the number of Bible college students to double next semester. Many changes have been made to the facilities- several of the rooms at the AFLC-India multipurpose building have been repurposed to house an AFLC-I Library, updated classrooms, dorm rooms, and married student living quarters.
