

## June 2019

### Praises and Prayer Requests

**Praise:** We've been blessed, this month, to receive a number of visitors from America. First, the Palmers and the Korhons came for a while to encourage us in the work and to let us meet Earl and Joan. Del Palmer is the retiring World Missions Director and Earl Korhonen is the new Director.

Then, we received Derrik Perry, our new Short Term Assistant who'll be joining our team here for a number of months.

**Prayer:** We could really use your prayers for good health at the moment.

Naomi is doing well, but her mom is struggling with a stubborn case of Bilharzia and her dad is still struggling with a stubborn case of Lymes. So please pray for us that our bodies would be strong and that our work here would not be hindered.

The Berger Journal is the newsletter of Micah, Famke and Naomi Berger
