New Burden.

As I reflected on [Footprints of the Faithful](#) (50 years in Brazil), learning about resources put together by John Abel & by Helen Knapp, our current faithful missionaries, and knowing the great search & need in our local congregation (& use of outside resources), **my heart felt heavy** for distinctively Free Lutheran material.

Fresh Strength. I shared my heart with missionary mentors (Pastor Paul & Becky Abel), Portuguese professor Pastor Fernando (Bateias Congregation) & lay leader Paulo (Campo Largo Congregation). **They too** expressed excitement!

Seizing the moment, Paulo organized **initial meetings**, bought & is building a [website](#); Pastor Fernando **presented** the idea to the AILLB & Seminary leadership, **they too** shared they had had the same burden and contributed ideas.

Pray for DRELL (Dept. of Free Lutheran Resources & Teaching) in its mission to make distinctively Free Lutheran materials available for the local congregation.

Working Together!

Growing in Portuguese & Relationship

Pray! for our **AILLB**: 18 congregations (+points), 4 states, 5 Missionaries (+families), 2 Camps (ARCA & Retiro Fazenda), Seminary (+housing), & Miriam Home.

...In 2020, maybe *Campo Mourão* serving congregations & the Seminary.
