

SCHIERKOLK PRAYER UPDATE

AFLC World Missions

Jerez, Zacatecas, México

February 2020

Dear friends,
Luis and Brenda had to wait a long time to get married. Well, it seemed like a long time to them at least. Luis was ready to get married 4 years ago but he waited until his new bride, Brenda, finished her nurses' training.

Brenda started coming to one of our Kids' Clubs with her twin sister when she was in 4th grade. Luis joined her in the youth group at our house later on so we got to have a front-row seat to their budding romance. We were very grateful to have Pastor Ricardo come up from his home three hours away to help with the wedding ceremony, too.

Luis and Brenda will appreciate your prayers for their new marriage. Luis had no father (or grandfather) example to learn from. When I asked them to think of a couple from our town whose marriage they admired they could only come up with one, and they observed that the couple they thought of regularly attended church together.

Please pray also for the many family members who attended the wedding ceremony which was held during our regular Sunday morning worship service. I shared on the text from Rev. 19, the wedding of the Lamb and spoke of how Luis and Brenda's relationship was a picture of the relationship that Jesus wants to have with each one of us. Brenda's sister commented that many were paying close attention. May the Spirit of Jesus draw them to Himself who has loved them beyond any love they will ever experience in this life. Would you also pray for Wendy, Brenda's twin sister? As happy as she is for her sister, I think this separation is hard for her.

Thanks so much for your many kind and encouraging greetings for Christmas and also Barb's birthday. We are also deeply grateful for the many gifts toward supporting us in our ministry here in Mexico. May the Lord of the harvest multiply His blessings back upon you.

In Jesus,
Todd and Barb Schierkolk
