

A Glance into World Missions

World Missions News

April 2020

As we prepare to enter into Holy Week we can rejoice with the difference Jesus' death and resurrection made for us. According to Romans 5:11, "...we can exult in God through Jesus Christ, through whom we have now received the reconciliation." But the next verse ought to move each believer to action—for the entire world needs the Savior. In Romans 5:12, Paul writes, "Therefore, just as through one man sin entered into the world, and death through sin, and so death spread to all men, because all sinned." This is a good reminder that the core problem of all mankind is sin. God calls believers to take action and help meet the physical needs of people, but we also have a special mission to bring the message of repentance and faith to our needy world. I pray that we are moved with compassion for our world's physical needs, but most of all that we are moved to action to meet their spiritual need.

In His service,
Earl Korhonen, Director

World Missions Office

This past week the Governor of Minnesota followed what many other states are doing and issued a "stay at home" order, closing all nonessential business. That means as of Friday March 27th our offices at the AFLC Headquarters will be closed. Our World Missions staff is able to work from our homes, so we will continue to monitor phone calls and e-mails. E-mail worldmis@aflc.org or call 763-412-2013
