## June: Promotion Month

BY: SHELBY GREVEN, WM COMMUNICATIONS COORDINATOR

World Missions promotion month this year is June! Our vision for promotion month is to help you with any material you might need/want. We have brand new and updated resources that you can use in your congregations for church services, Bible studies, mission events, or whatever you might need them for.

Our heart behind this material is to give you the best look into the AFLC missions fields, our Missionaries, and how you can continue to invest in mission work. We believe that every person has a role in missions. Not only does this material help people to be informed about what is currently happening in AFLC World Missions, but it also encourages others to become more involved and understand what their role is concerning missions around the world. Involvement in missions could look like serving on a Journey Missions ministry team, planting a church in another country, or supporting missionaries through prayer and financial support.

We want these resources to encourage you and your church to get excited about the mission work around the globe!

The promotional material we have includes: WM Family Album, PowerPoint, Various Videos, Bulletin Inserts, Event & Social Media Posters, Prayer Cards, and a bookmark. Here are a few ways we love to use our different resources:

- **PowerPoint Slides**—these are great to display before/after a church service. People can see the different mission fields around the world and where each missionary is located.
- **Family Album**—this is our classic promotion material with the all around information about mission fields, missionaries, contact info, and more.
- **Prayer Cards**—these are great to hang up at home! They can be downloaded and/or requested from our office, and we will mail them to you.
- **Bulletin inserts**—easy to put into your church’s bulletin.

# MAKING DISCIPLES
