

A Journey Missions team is currently working in Brazil from January 17th to February 1st.

We are working on the Bible Camp in Campo Mourão near by the AFLC Seminary and the

Miriam Home. We will have the opportunity to work with a Brazilian crew to help in the expansion of multiple facilities. We'll be working on completing a bathroom project and expanding the seating in the cafeteria/kitchen area.

The Bible camp currently holds around 220 people but they've been welcoming over 300 – including those that camp on site. This work team is joining the work in Brazil to help to ensure more ministry can be taking place at the camp.

When the team arrives we will be joining for the conclusion of the children's camp and will be working to help prepare the camp for the upcoming Carnival camp – which already has 350 people registered.

We're excited to join the ministry in such a practical way. Please pray for these team members:

Steve Deysher – Marysville, PA Dalton Zeiszler – Beulah, ND
Jon Nelson family – Golden Valley, MN Bill Sheldon – Ray, ND
Brazil Missionaries - Jonathan and Tamba Abel & John Lee family
