

Horeb Children's Home India

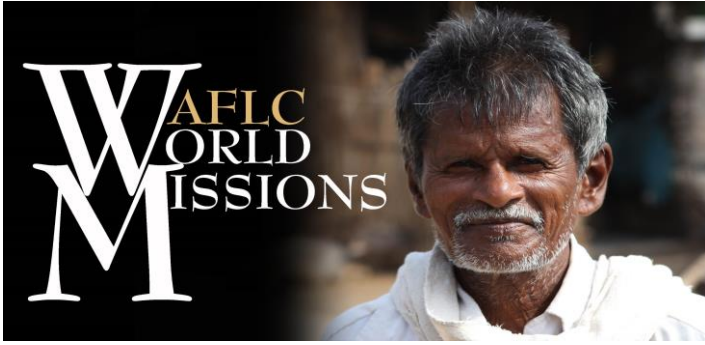

Over the years we have sponsored children at our Horeb Children's Home in India. This home is a compassion ministry of AFLC World Missions. Many of the children are orphans.

The World Missions Committee has strengthened the accountability of the program, providing checks and balances. We are actively seeking new supporters for the children of the Horeb Home.

A child can be sponsored for \$40.00 per month. Your sponsorship provides the necessities of life. The children also hear the saving grace of Jesus and are active in the life of Shiloh Free Lutheran Church.

For more information email us at horebhomeindia@aflc.org.

Ambassador Institute

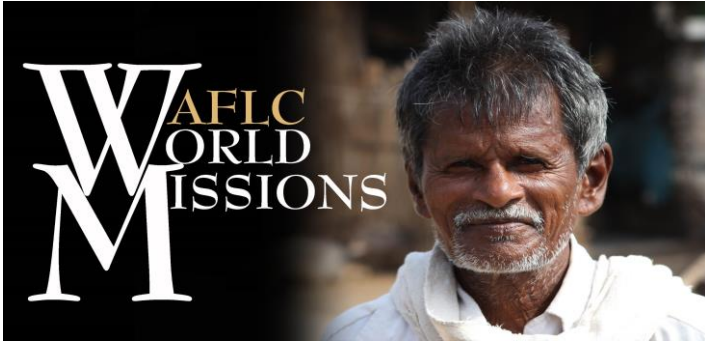

Our missionaries are now overseeing the training of pastors and church leaders through Ambassador Institute.

Brent Raan recently traveled to India to provide direction and encouragement to the work there. One of our long-term goals has been to have the curriculum translated and printed into Telugu.

When Brent arrived, he found the books printed and ready to be used. As people hear the lessons in their own language, it brings the message of salvation to their hearts.

The AFLC of India now plans to have all the pastors go through the program. They will then bring God's Word to their congregations who will witness to their villages.

Journey Missions

Journey Missions has a desire for people of all ages to have opportunities to visit AFLC foreign ministries through short term missions and oversees the following two types of mission trips:

Student Missions Trips are for students from 15 to 19 years old.

Intergenerational Missions Trips are for people of all ages to serve alongside each other.

Each mission trip varies in objectives due to different cultures and ministries. Some trips may be primarily relational, some may be support based, and some may be labor intensive.

Here are the upcoming 2019 ministry trip opportunities:

Uganda —Summer 2019

Brazil—Winter 2019

Journey Missions also oversees the **Short Term Assistant (STA)** program, which is a volunteer program for those wanting to serve on an AFLC World Missions field from three months to two years.

For more information about trips, the STA program, or other information about Journey Missions, please contact Jon Nelson at journeymissions@aflc.org or visit our website at www.aflcjourneymissions.org.
