

A Berger Family Update

Dear friends and family,

A lot has happened since our last newsletter. Since our family arrived stateside in June we've been putting miles on the missions van, meeting with churches, and sharing stories about the work in Uganda.

My family and I have greatly enjoyed getting to know so many congregations and pastors as we've moved around the states. We've felt incredibly blessed by all the kind words of encouragement, the homes that were opened to us, and hearing how many of you are praying for us regularly has been overwhelming. Our family is in Colorado right now at a Compass program where we're getting more training for mission work and language acquisition.

Please continue to pray for us:

- As we're studying at the Compass training.
- For good health and travel mercies
- As we begin to prepare for our return to Uganda

We are so grateful for all your faithful prayers and support. It's a huge comfort and encouragement to us to experience God's full provision through your generosity and to know that we have so many interceding for us and for Uganda in prayer.

We hope you'll continue to remember not only us in this way but all of our AFLC missionaries as mission giving on the whole has been down lately from previous seasons.

If you'd like to learn more about any of the AFLC mission fields and read more newsletters, or get information about how to give, you can follow this link to the World Missions website.
