

A Glance into World Missions

November Update

The Power of Prayer

Pastor Connely Dyrud, a retired AFLC missionary, remains involved by visiting churches to speak about missions. Recently, Connely has been emphasizing the importance of prayer in his sharing time. Over the last few years, we have seen many great prayer warriors of the AFLC go home to be with the Lord. Connely says a prayer void is evident when a prayerful Christian leaves us because prayer is powerful! James 5:16 says, “Therefore, confess your sins to one another, and pray for one another so that you may be healed. The effective prayer of a righteous man can accomplish much.”

At one specific church, Connely challenged the congregation to take prayer cards he provided and be diligent in praying for our missionaries. After the service, an eight-year-old little girl shyly approached Connely. Her mother followed closely and said, “My daughter wanted to meet you and tell you something.” God used Connely’s message to touch the young girl’s heart, and she wanted him to know she was helping fill the void left by prayer warriors we have lost. Every night before she goes to sleep, she lays out each prayer card, and takes the time to place her hand on each card and pray for the family on the card.

Prayer for our missionaries’ matters. Join us in our mission to answer God’s call to make disciples of all the nations and make it a goal in your own life to pray daily. God hears the prayers of this little girl, and He will hear your prayers as well. If you are interested in printing some prayer cards, you can find them on our website by [clicking here](#). In this time of Thanksgiving, we are especially thankful for the confidence we have in Christ our Redeemer, but also thankful for those who, by His grace, contribute to our mission with gifts of prayer.

“And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord’s people.” –Ephesians 6:18
